Dear Dr:

I am in receipt of your letter of February 9th in which you have invited me to the meeting of The American League, in Chicago on Feb. 24th and 25th. I will be very pleased to attend.

I also want to call your attention to Cum Poseys column in the Pittsburg Courier this week. Almost the entire column is devoted to an attack on Mrs. Manley. The part I do not like at all is where he said the members of the western league were being "sarcastic to the nth degree" when they asked Mrs Manley to act as Commissioner. I am sure we all understand but Posey may have a few readers who may believe him. It would be easy to convince the public Posey was wrong if Judge Hastie was elected as Commissioner.

I am planning to arrive in Chicago the 22nd of this month, and hope to see you then. There are many things I would like to discuss with you before our meeting.

I hope you are feeling well.

Very Truly Yours
